

## **ABSTRACT**

A protective cover for an automobile or truck motor protective hood is provided. The cover may be a blanket that is attractive to animals, such as cats, and be pleasant to rest  
5 on, paw and chew. The cover may be shaped in a square, a rectangle, a circle, or in an outline of a cartoon character or a team or corporate logo. An image, picture, photo, signage or a logo may be visibly displayed on at least one side of the fabric. The cover may have a pillow section.
